2 hour DVD

### Description

2 Hour DVD This lecture will focus on the alchemy of "choice"

What is the interplay between choice and programs?

This lecture will focus on the alchemy of "choice"

- Understanding the alchemy of evolving our "programs"
- Writing new codes and reality programs
- Changing our everyday viewing of the world
- Abandoning our war with the world...with external reality
- Re-routing thought paths and brain routes- meditative focus work on developing new brain routing for the expansion of new thought, ideas and

experience...basically creating new neuro pathway in the brain

- Reclaiming self from external control
- Overriding linear time
- Where is your fear stemming from, what is the root of particular fears...do they all lead back to one
- Deeper meaning of Technology and how it relates to your design, hence the ability to reprogram
-
