

## Unveiling The Matrix

**Price: \$30.00**

### **Short Description**

Sonia's lecture - she share her story on her journey

2008 2 hours DVD

### **Description**

A lecture at KRST Unity in Los Angeles. Sonia discusses her own discovery of the Real Matrix or system in which human consciousness is experiencing reality. The true nature of technology and the human body. The undisclosed science of life and death.

This was Sonia's very first experience before and audience after coming out into the open after many years of solitude on the journey. 2 Hrs.
